Remarks

One or more photo(s) has been virtually staged. Rare opportunity to own a premier end residence at 400 Central in the heart of downtown St. Petersburg. Residence #2307 offers over 2,600 sq ft of light-filled living space and an extraordinary 1,000+ sq ft wraparound terrace with a distinctive curved design that captures sweeping east, south, and north views of the city skyline and Tampa Bay. The unique curvature of this end unit creates an expansive outdoor living experience rarely found in downtown high-rises. Designed for seamless indoor-outdoor living, every bedroom features sliding glass doors opening directly to the terrace. Floor-to-ceiling glass fills the home with natural light, complemented by porcelain tile flooring and a chef's kitchen with gas range. Located in the tallest residential tower on Florida's west coast, 400 Central offers resort-style amenities, a pet-friendly lifestyle, and walkable access to downtown St. Pete's renowned dining, shopping, waterfront parks, and cultural attractions.
